

Dear Secret Santa,

I'm Dibs, a 1-year-old Pharaoh Hound / Basenji mix. I'm really scared and confused right now. I too was rescued by RORR from a hoarder who had me in with 60 other dogs. I've got a lot of scars on my little nose because I was the one who always got picked on.

Now that RORR got me out of that horrible place, I'm hoping to start a brand new life—I sure would love to fit in somewhere. I'm looking for a foster home where I can feel safe until my forever person comes along. But I have a few other wishes for RORR as well—can you help put a present for me under the Tree of Hope?

Wags,
Dibs
