Welcome to the 3rd annual Little Bennett Great outdoors Festival!! First launched in 2013 as a celebration of the campground’s 30th anniversary, this multi-faceted event has grown each year and continues to get bigger and better. The Great Outdoors Festival throws open the doors to those who love to get outside and get involved. It’s a celebration of nature, recreation, and conservation, designed to give members of the community a look into unique programs and organizations in Montgomery county, and across the region. We urge you to stroll through the event, visit with each of our organizations, and enjoy all that we have to offer!

2015 Festival Participants
